

HEY KIDS!

Some storms are noisy, wild, and scary.
Some are really **BIG!**
Have you seen one of those? You have?
Well, that storm is gone and we're still here.

Kids are stronger than storms!

The wind made a giant mess.
Now it's time to help each other
clean up. Can you figure out which path
I need to go to get to my broom?

Can you say
"Biggy Piggy
Whirly Twirly
Windy Meanie
Mess Maker"
five times fast?

Hey, if you could make
a super clean up machine,
what would it look like?
Draw it on the other side
of this page.
